Emergency deduction and compulsory savings from of Government servants.

GOVERNMENT OF BOMBAY
Finance Revenue Department.
Resolution No. 7840/33.

Bombay Castle, 4th January 1950.

RESOLUTION OF GOVERNMENT.

In continuation of Government Resolution, Finance Department, No. 7840/33, dated the 30th November 1949, the Government of Bombay is pleased to issue the following orders in regard to the manner of application of the said Government Resolution to contract officers and on certain other points.

2. Contract Officers;- All contracts generally contain a clause to the effect that in respect of any matter for for which no provision has been made in the agreement, rules andorders applicable to other Government servants will xx apply. This condition is also implicit in any contract which does not specifically include this clause. Every contract will therefore be deemed to permit of a compulsory deduction as savings, and contract officers on pay below Rs. 3,000 will be liable to subscribe compulsorily to a Provident Fund in terms of paragrpah 4 of Government Resolution, Finance Department, of the 30th November 1949.

Every contract officer on a pay of Rs. 2,750 or above, above, whose contract does not permit of a compulsory cut should be requested immediately to state in writing whether he disires to offer a voluntary cut, on the scale prescribed in paragraph 2 of Government Resolution, Finance Department, of the 30th November 1949, in modification of the of the terms of the contract. If he makes the offer, it shold be formally accepted, and the offer and the acceptance recorded in writing; andthe contract will be deemedto have been modified to that extent by mutual agreement between the employer and the employee. Income tax will be calculated on the income so reduced. If any officer does not desire to have his pay reduced, he will become liable to subscribe compulsorily to a Provident Fund at the rates prescribed in paragraph 4 of Government Resolution, Finance Department, of the 30th November 1949.

Contract officers of non-Asiatic domicile will remain exempt from these orders.

3. All Departments of the Secretariat are requested to ensure that all statutory corporations andother quasi-permanent xxxx bodies who generally apply to xxxx their servants conditions of service similar to those of Bombay Government servants, follow theorders in the Government Resolution, Finance Department, of 30th November 1949.

4. Other matters.- (1) When an officer, who is subjected to a cut in pay, is on different rates of pay for portions of a month, or is in xxxx receipt of pay and leave salary for different portions of a month, the amount of deduction will be calculated separately for each portion of the month.

(2) When an officer proceeds on leave, his eligibility under paragraph 2(a) of Goverment Resolution, Finance Department, No. 7840/33, dated 30th November 1949, to an emergency deduction in pay will be determined by his pay pay immediately before proceeding on leave. The deduction will be made only during leave on average pay during which leave salary is not subjected to the xxxxx

xx to the maxim prescribed in Bombay Civil Services Rule 759, and not during other leave; and will be calculated on the leave salary in the same ratio which the cut in officer's pay bears to his pay.

When, however, an officer's leave salary during leave on average pay is below Rs. 2,750, the deduction will not be made. He will be required, instead, compulsorily to subscribe during that period to a Provident fund in accordance with paragraph 4 of the Government Resolution, Finance Department, dated 30th November 1949.

These orders will apply to an officer on leave during any part of December 1949.

(3) The term "pay" is used in these orders in the sense defined in the Bombay Civil Services Rule 9 (39).

(4) When an officer's pay is subjected to an emergency deduction, calculation of house rent deduction, etc., when based on pay, will be made on the reduced pay.

(5) For purposes of deduction and of calculation of compulsory subscription to a Provident Fund, only that portion of the pension actually included in the emoluments of a re-employed pensioner will be taken into account, and not any portion which has been commuted or held in abeyance.

6. When a Government servant to whom the orders of the 30th November 1949 apply is transferred to foreign service specifically include the applicability of these orders during the period of foreign service.

A care should be received to see that the terms of appointment on foreign service

GOVERNMENT OF BOMBAY.
FINANCE DEPARTMENT.

Circular No.7840/33.
Bombay Castle, 1st November 1950.

CIRCULAR OF GOVERNMENT.

It is possible that with reference to paragraph 2(c) of Government Resolution, Finance Department, No. 7840/33, dated 30th November 1949, a doubt may be raised whether the amount of pension drawn during the re-employment can be taken ito account for purposes of the emergency cut, in a case in which the amount of pension is guaranteed by statute, e.g., a retired High Court Judge. The emergency cut is in the pay drawn during re-employment, and for determining the liability to the cut as well as its amount, the re-employing authority is competent to take into account the amount of pension drawn and any other relevant factor, and the fact that the pension is statutorily guaranteed does not affect this position.

2 . It is, however, considered that paragraph 2(c) of Government Resolution, Finance Department, No.7840/33 dated 30th November 1949, should be modified so as to place the matter beyond doubt. Government is therefore pleased to amend the said paragraph in the following form :-

"(c) In the case of a re-employed pensioner who is entitled (Statutorily or otherwise) or permitted to draw any pension in addition to his pay during re-employment, the total of such pension and pay shall be deemed to be his pay, for purposes of the emergency cut".

The amendment will be deemed to have effect from 1st December 1949.

GOVERNMENT OF BOMBAY.

Political and Services Department.

Circular No. 1575/34.

Bombay Castle, 1st March 1952.

CIRCULAR OF GOVERNMENT.

The Bombay Civil Services Provident Fund Rules have been made applicable under Government Resolution, Political and Services Department, No. 2325/46, dated the 5th August 1950, to persons who were previously in service under the Governments of former Indian States and have consequent on merger, been absorbed inservice under Government, with effect from the 1st August 1949 or the date of ~~xxxxx~~ absorption in service here, whichever is earlier. The merged States servants covered by those orders might accordingly have started contributing to the Provident Fund to which they are required to contribute under the Rules. The Bombay General Provident Fund Rules and the Contributory Provident Fund Rules (Bombay), admit of certain concessions to subscribers holding Life Insurance Policies and since the Rules have been made applicable to the merged States servants in their entirety, Government ispleased to direct that such of them asmay be holding Insurance Policies ~~xhxji~~ should also be held eligible forthose concessions and cases ofthose who desire to avail themselves of those concessions should be dealt with under the relevant Provident Fund Rules. They cannot however be exempted wholly from the requirements of the Bombay Civil Services Provident Fund Rules. The cases ofthe Government servants who are subscribing towards Insurance Policies underthe former Baroda Government Insurance Scheme should be dealt with accordingly.
